

The European Organization for Quality, EOQ, is an autonomous, non-profit making association under Belgian law with an annual budget of around 500.000,- € and two employed persons. The EOQ was established in 1956 and its present membership is comprised of 34 national European quality organizations, as well as institutions, companies and individuals from all over the world. Members are organizations which are committed, through a significant part of their activity, to promote quality at national, European or international level.

The EOQ is the European interdisciplinary organization striving for effective improvement in the sphere of quality management as the coordinating body and catalyst of its Member Organizations. EOQ's vision is to become Europe's leading promoter of quality. Its mission is to improve European society through the promotion of quality in its broadest sense by facilitated networking, qualified people and transformed organizations.

The representative's office is based in Brussels. The operating office is based in Vienna, Austria.

For further development and management of the EOQ we are looking for a
